

What does it mean to migrate?

---

---

---

---

---

---

---

Which birds migrate?

---

---

---

---

---

---

---

Why?

---

---

---

---

---

---

---

Choose a bird that migrates

Write down a few interesting facts about your bird and draw a sketch:

---

---

---

---

---

---

---

---

---

---

---

How birds choose their route

How birds get ready

When they are on the move

Dangers of migration

How birds find their way

Now that you have learnt these fascinating facts, get into character and write about your journey as though you were your chosen bird. Make it interesting and detailed.

## My Incredible Journey
