Supported by

The National Lottery[®]
through the Heritage Lottery Fund

The Townscape Heritage Initiative (THI) is the Heritage Lottery Fund's grant giving programme for the repair and regeneration of the historic environment in towns and cities throughout the UK. The scheme was born of the HLF's desire to deliver sustainable conservation in historic urban areas by raising the standard of repair where the market has failed to do so, and by bringing new uses.

Your challenge is to pretend that you are a member of an organisation like The Townscape Heritage Initiative. Take a look at your school. What would you do to regenerate your school to make it better for everyone involved? Think about buildings, grounds, classrooms and resources.

Write a letter to your local minister outlining what you think should be done to your school and why.
