

Learning objectives

- Create and play a musical instrument.
- Using materials from the natural world.

45-60
mins

KS1
&2

Equipment & Resources

- Pringles containers, you can also use plastic bottles
- Paint
- Paintbrushes
- Scissors
- Tape
- Glue
- Seeds/rice/dried peas

Prior preparation

- Collect seeds from your school grounds or Local Park. This can be done whilst on a nature walk with the pupils.
- Cover the tables this activity might be a bit messy (but fun).

Main activity:

1. Paint the outside of the containers for decoration.
2. Half-fill the container with seeds you collected on your nature walk (you can also use uncooked rice or dried peas and beans). Make sure the lid is tightly secured with tape or glue.
3. Start making music.
