

Learning objectives

- Learn the days of the week and months of the year.
- Discovering seasonal flora and fauna.

20-30
mins

KS1
& 2

Equipment & Resources

- Computer
- Calendar template (optional)
- Pictures (optional)

Main activity

1. Allow children to fill in the template provided or draw their own. Have children all complete a miniature calendar for themselves or each do one page to put on to a class calendar.
2. Cut and paste available pictures/have children draw pictures/have children research on internet to find pictures and sort them into the months they can be seen.
3. Have children write a little about each picture.
4. If children complete work to a high enough standard, why not reproduce their work and sell it in school?
