

1. Finish drawing the flower, cut it out and stick it into your book.
2. Cut out and stick each label around the edge of your flower, drawing a straight line to the correct part of the diagram.
3. Colour the labels of the female parts red.
4. Colour the labels of the male parts blue.

Petal	Carpel	Anther	Stigma
Sepal	Pollen	Filament	Style
Stamen	Ovule	Receptacle	Ovary

When grouped together, the female parts form the \_\_\_\_\_

When grouped together, the male parts form the \_\_\_\_\_
