

Choose a tree to study. Look at the tree. Collect the seeds.

Q. Is it a deciduous or evergreen tree?

Q. How do you know?

Q. Name the tree.

Q. What colour are the leaves?

Q. Does the colour tell us anything about the season?

Are the leaves?

Broad ☐ Single shape ☐

Narrow ☐ Divided ☐

Make a careful sketch of the tree in the space below. Look at the shape of your tree and try to copy that shape as best you can.
